### OR

- "The citizens of this country have a fundamental right to education. The said right flows from Article 21. This right is, however, not an absolute right. Its content and parameters have to be determined in the light of Articles 45 and 41. In other words every child/citizen of this country has a right to free education until he completes the age of fourteen years. Thereafter his right to education is subject to the limits of economic capacity and development of the State."* Evaluate the statement highlighting the decision in a landmark judgment on Right to Education with present legal scenario. K5 CO6 (15)
