Course Code: BAL914/BBL914

Course Name: Telecommunication Law

Telecommunication Law- An Overview

Course Code: BAL914/BBL914

Course Name: Telecommunication Law

Topics Covered

- Meaning of telecommunication
- Historical evolution of telecommunication sector
- Fact check: India's telecommunication network
- Impact of the telecommunication sector
- Authorities in telecom sector
- Legislations in telecom sector

Course Code: BAL914/ BBL914 Course Name: Telecommunication Law

MEANING OF TELECOMMUNICATION

Compound of the Greek prefix "tele" which means 'far off', and the Latin word "communicare", which means 'to share'

In general parlance, refers to transmission of signals over a distance for the purpose of communication

Ancient period: communication between persons took place by means of drums, smoke signals, flags

Present time: introduction of sophisticated high-speed telecommunication service, increase in the demand for signal transmission

Major sectors of the Indian telecommunication industry: Telephone, Internet and Television Broadcast Industry

Name of the Faculty: PUJA KUMARI Program Name: B.A. LL.B./ B.B.A. LL.B.

Course Code: BAL914/BBL914

Course Name: Telecommunication Law
